Allergy Awareness

At WRBASC we are an Allergy Aware Centre. We ask that families don't send any foods with their children to the Centre that contain nuts. Examples being Nutella (in a tub or sandwich) or Fruit and Nut bars.

Packing foods that may contain traces or is manufactured on the same machinery as nuts is perfectly acceptable. This is the main reason we remind all children that they are not to share the food packed at home with other children while in our care.

Your continued support in helping us promote this message is greatly appreciated.
